

VIVACE DANCE ACADEMY

BALLET ACADEMY

Our Ballet class is based on the syllabus of Royal Academy of Dance (RAD). The Royal Academy of Dance is one of the world's most influential dance education and training organisations, with its global headquarters in London.

RAD believe that everyone should have the opportunity to learn to dance.

ABOUT RAD

The RAD's patron is Her Majesty Queen Elizabeth II and the President is Dame Darcey Bussell, DBE. With 13,000 members in 89 countries and offices in 36, RAD have an incredible global network of passionate and skilled employees, teachers and members, each shaping and influencing the future of dance.

The higher education programmes of RAD are regulated and a recent Ofsted inspection found the RAD to be an 'outstanding' provider of initial teacher education. The RAD's examinations are recognised by Ofqual and contribute to UCAS points.

There are currently over 1,000 students in full-time or part-time dance teacher training programmes and each year the RAD's renowned classical ballet examination syllabus is taught to thousands of young people worldwide, with around a quarter of a million pupils per year going on to take our exams.
